Welcome to our introduction of Studley Royal Cricket Club. It may be that you are already a Member, Player, Sponsor or friend of the Club, in which case thank you and welcome to 2010, however if this is a fresh contact please allow us to introduce you to our Club.

We are delighted that our three major sponsors have again agreed to support us in 2010. AMG Leisure, Ripon Interiors and Ripon Timber will again support the York Senior League team, The Nidderdale League teams, and the Junior section respectively. Many other sponsorship opportunities however still exist as we approach the most exciting season in the history of our Club. Why is it so exciting and how can you help.

Our First Team are playing in The Premier Division of The York Senior League, after winning the Division One Championship, being unbeaten in the league all season.

We are for the first time entering our newly formed FIFTH team into the Nidderdale League.

We are entering our new Intermediate Team into The York and District Intermediate League.

So 2010 will see us playing 18 summer teams, as we will also be playing in The Harrogate and District Evening League Division One and again have 11 teams in The Nidderdale Junior Cricket League. This is in addition to the Indoor winter teams which we put out.

As well as the success of our First Team last season, the investment of both financial support and volunteer support, saw our Under 15's win The E.C.B. Yorkshire Cup before progressing to the Final of The North of England Cup – A Fantastic Achievement.

Junior cricket will always continue to be so important at this Club. We are proud of the progress our young players make. This is the reason why the demand is so great for us to put out so many sides, but they progress as individuals as well, and we are proud of their League Representative performances, and of the numerous young players who go forward and play for North Yorkshire and Yorkshire.

We have spoken of our performances on the field at Senior and Junior levels, but we are also proud of our off field activities. The legendary summer Monday night Tykes coaching, the 18 weeks of

Winter coaching, our record of victories in the Indoor League and of The Studley Royal Academy which is now in its third year. We continue with our Clubmark accreditation, and the Representative fixtures including Yorkshire Under 15's, but this year we have the added bonus of hosting 3 Golden Oldies matches. The Nidderdale area is hosting The 14th Air New Zealand Golden Oldies Cricket Festival. Teams will be converging on this area from all over the world between 8th to 15th August. It promises to be an event which will be remembered for many many years to come.

In 2010 we hope to raise our new funding project 'Twenty20' which will be aimed at taking our cricket club forward into the next decade. We will never rest on our laurels, and as ever in 2010 our energetic team of supporters will continue to strive for further improvements both on and off the field of play.

The above is intended to give you a flavour of the activities at this vibrant and flourishing cricket club. If you are a current sponsor we would like to retain your current support and if possible increase it. If this is a new introduction and you are prepared to lend your support to this great club and also to assist the large youth membership drawn from the Ripon area, it would be greatly appreciated.

The future depends upon our investment to-day. This investment is not only financial but also relies upon the commitment of volunteers who put many hours of coaching, management and hard work into supporting and developing the Club. Please consider assisting these volunteers by making an offer of sponsorship.

Thank you in anticipation of your support.

Ken Coad
Chairman and Secretary
Studley Royal Cricket Club
